**Subject:** 2010 State Strategic Plan for Information Technology

---

The Montana Information Technology Act (MITA) requires that the Department of Administration prepare a state strategic information technology plan. [2-17-521 MCA](#). The Act further states that the department shall provide updates to the state IT strategic plan to the governor by March 1 of each even-numbered year and to the legislative finance committee at its next scheduled meeting after March 1, and that it will distribute the approved plan by April 1 of each even-numbered year. [2-17-522 MCA](#).

The approved 2010 State Strategic Plan for Information Technology is available electronically at <http://itsd.mt.gov/stratplan/statewide/default.mcp>. I invite you to read the document and learn the strategic direction for information technology for the State of Montana.
